

Product Description

Help Mr. Do! collect cherries for his pie-tossing clown act as he takes his performance on the road in the arcade classic updated by Namco. Watch out for stampedes of wild animals that have escaped from traveling circus caravans! Squish Red Rovers, Munchie Monsters and Alpha Monsters with giant apples, or bonk them with a bouncing rubber nose. Spray the animals with seltzer water and make them freeze, or flatten them with a tiny clown car. Gobble treats left behind in Red Rover nests to release Alpha Monsters and to earn bonus points. Win extra lives by collecting Alpha Monster letters to spell E-X-T-R-A, or by collecting the rare green diamond. Play the original Arcade classic or check out fresh graphics, new levels and power-ups, and more in Enhanced Mode!
